Who We Are

- About Bethel-Sinai Foundation [bethel-sinai.org/about-bsf]

Bethel-Sinai Foundation (BSF4) is a not-for-profit 501c (3) organization dedicated to providing high quality programs and services in the areas of STEM education, healthcare and life sciences research, and mission outreaches in the United States of America and with local focus in the Triad regions of the State of North Carolina. The organization embraces and utilizes the asset-based development (ABD) model that focusses on programs that identify, mobilize, and connect individual's endowed abilities and skills-set with resources that enable or empower the individual in the following FOUR core areas of BSF: Freedom, Fullness, Fulfilment, and Fruitfulness. For more information, please visit the [vision, mission, and core principles of BSF-F4](#) page.

BSF-F4 commits all received donations and support above operating expenses to programs and services listed on [Areas of Focus for BSF-F4](#) page.

Who We Are

- Mission Statement [bethel-sinai.org/mission-vision-value]
 - BSF-F4 objective is to promote activities and programs that help to identify and connect each individual's God's endowed capabilities and skills with resources and opportunities that will enable the person to actualize and use them for the benefit of the community at large.
- Vision [bethel-sinai.org/mission-vision-value]
 - Freedom, fullness, fulfilment and fruitfulness for every individual.
 - Providing individuals with resources and services that will help to enrich their lives in with freedom, fullness, fulfilment and fruitfulness.
- Core Values [bethel-sinai.org/mission-vision-value]

At Bethel-Sinai Foundation, we hold firmly believe that at the intersection of God's grace and mercy is redemption. We engage and provide services that help to identify and connect God's endowed capabilities and skills of each individual with resources and opportunities that enable the person to actualize and use them for the benefit of the community at large. In that spirit, we adhere to the following four core assets-based development model that will enable each individual to discover their unique talents and skills-set and to deploy them for the benefit of the community that they are part of. The four core assets-based development model is made up of-

 - Freedom
 - Fullness
 - Fulfillment
 - Fruitfulness

Mission Statement: *To redefine care through expert advisory and medical services that will enhance health, quality-of-life, and business performance.*

Areas of Focus

BSF-F4 offers research assistance and consulting services to schools, healthcare and provider organizations, and churches/para-church ministries. Services provided or available cover the following listed areas.

- STEM Education [bethel-sinai.org/stem-education]

Research assistance and delivery of programs targeted to improving K-12 STEM (science, technology, engineering, and mathematics) education.

- BSF-F4 EducationOutreach®
 - Educating, empowering and career mentoring to the segment of one

- Healthcare and Life Sciences Research and Outreaches [bethel-sinai.org/healthcare]

The goal of BSF-F4 is to partner and collaborate with medical research and healthcare organizations on programs focused on improving social determinants of health in communities and those targeted to the prevention, treatment, and management of chronic medical conditions.

- BSF-F4 HealthcareOutreach™
 - Provide healthcare services, support and assistance to the segment of one. Scope of services provided to include (1) nursing, physical therapy, speech therapy, and home health aide service; (b) health education to inform the patient the widest range of treatment options available; and (c) around-the-clock services to meet the unique needs of the patient on a seven days per week basis as needed.
- Service and Mission Outreaches [bethel-sinai.org/outreaches]

BSF-F4 embarks on programs that focusses on improving ...

- BSF-F4 MissionOutreach

Partnering with local churches and missionaries to witness and disciple the segment of one.
